December 21, 2022

Mr. Robert Hendrick  
Chairman  
Planning and Zoning Commission

Dear Chairman Hendrick

The Planning and Zoning Commission has scheduled a Public Hearing for Tuesday December 27<sup>th</sup>, 2022. While I sincerely appreciate the hard work and effort the Commission puts into resolving these many issues and applications, the 27<sup>th</sup> of December is a time when many people and families have chosen to be together in various locations enjoying the Holiday Season.

Understanding this time of year, I would appreciate that consideration be given to either a postponement of this Public Hearing to the first week of January when people have returned to a normal work schedule or at least a continuation of the hearing allowing those away to have an opportunity to comment on the issues being presented.

Thank you very much for this consideration!

Sincerely,
